Hornets Chose Unusual Site

Salem Methodist Church at Spout Spring has a charming Youth Choir and something rather unusual — a hornet's nest (note window) in full view of congregation both outside and inside. The nest, built last season, was a "living laboratory" of insects since half of the construction, flattened against the glass, offered full view of activities inside. These young singers were practicing last week but quickly dashed outside for the camera shot: In front: Russell Walton standing in front of Roger Walton. From left, behind them: Patsy McFadden, Yolande Walton, Sharon Neighbors, Vicki Thomas, Glenn Neighbors. Director is Mrs. Winston Walton.

Liberty To Show "His Land"

Across a barren land, scarred by centuries of war and neglect, the spectres of ancient Israel appear, hover, and fade away. Suddenly there is movement of a different sort, and slowly, steadily, a startling transformation begins to take place.

Thus begins "HIS LAND," the thrilling story of Israel from ancient to modern times.

"HIS LAND," rich in color and authentic sights and sounds, with a popular musical score composed and arranged by Ralph Carmichael has been called a musical journey into the soul of a nation, and will be shown on June 14 at 7:30 p.m. at Liberty Baptist Church.

"HIS LAND," truly a feast of color, sound and song. An unforgettable experience!

SOME PEOPLE THINK ELECTRIC HEAT IS ONLY FOR THE RICH.

Except people like these who have it.

People who enjoy electric heat are as careful about the way they spend their money as you are. So they look for value throughout.

Here's what they've discovered. Electric heat is cleaner, safer, quieter, and more flexible than any other system. It's the only system that will be as modern years from now as it is today.

When you consider the cost of a heating system, consider the value. Ask yourself whether any other heating system offers more for the money than flameless electric heat.

Ask your builder, architect, or heating contractor about today's best heating value. Electric.

And if people think you're rich, enjoy it.
